

SUGGESTIONS

IT IS ALWAYS PREPARED TO ALWAYS ANNOUNCE AN EVENT OF THIS NATURE. WE EVEN THINK THAT THAT IS AWAY TO OUR LIFE AND THAT IT MAY NEVER HAPPEN, BUT THE REALITY IS ANOTHER. POSSIBLY THE RESOURCES YOU SAVE WILL NOT GIVE YOU TO PASS EVERYTHING THAT COMES AFTER THE HURRICANE, BUT THEY ARE VERY USEFUL TO WHICH THE FIRST HELP ARRIVES TO YOU. BUT MORE THAN ANYTHING, BEFORE AN EVENT LIKE THIS, IT IS NECESSARY TO THINK THAT EVERYTHING HAS A SOLUTION, AND THAT FOR MORE DIFFICULT TO BE, THERE IS ALWAYS A LIGHT AT THE END OF THE ROAD.

BENEFITS

IN SPITE OF SUFFERING, MARIA TEACHED MANY THINGS, BETWEEN THOSE WHO DOING COMMUNITY MANY THINGS ARE ACHIEVED. THAT IN SPITE OF ALL THE ROWS AND THE WAIT FOR THE BASIC SERVICES, IT DOES NOT MAKE A LOT TO MAKE HAPPINESS IN THE MIDDLE OF SUFFERING. AND BEYOND EVERYTHING, MARIA TEACHES US THAT EVERYTHING THAT FALLS, CAN BE RISEN AGAIN. MARIA TEACHED US TO BE A PEOPLE ...

CHALLENGES

THE HURRICANE MARIA WAS VERY DEVASTATING FOR PUERTO RICO. IN MY LIFE I HAD NEVER PASSED BY A SIMILAR EXPERIENCE AND I ONLY SEE THESE DISASTERS AS SOMETHING OF THE NEWS AND ALLOW US TO OUR REALITY. WHEN MARIA ARRIVED US IN AN UNIMAGINABLE WAY, BUT THAT SKILL WAS NOT ONLY IN THE MATERIAL, BUT INSIDE OUR HEART. THE GREATEST CHALLENGE FOR ANY PUERTORRIQUEÑO AT THAT MOMENT WAS AWARENED OF WINNING TO CRY BECAUSE OF JUST LEAVING AND OBSERVING ALL THE DESTRUCTION THERE WAS NO SPACE TO THINK ABOUT WHAT WE COULD COME OUT OF THAT. ROWS FOR ICE, GASOLINE AND FOR OTHER BASIC SERVICES WERE THE ORDER OF THE DAY, AND EVEN IF THERE WAS A NEED FOR WATER, ON THE OTHER SIDE, OUR LAND DID NOT PROVIDE THEM. RIVERS GROWING, CONSTANT RAINS THAT DESTROY EVERYTHING IN THEIR PASSAGE, WAITING FOR YOU TO KNOW WHEN WE WILL RETURN TO SCHOOL AND MORE THAN ANYTHING THAT CONCERN TO RETURN TO NORMALITY WAS STRESSING, BUT HOWEVER BORICUANS WE COULD LET US.
